To Whom It May Concern:

1. I certify that Anna U. Bielinska, James R. Baker, Jr., and Blake J. Roessler, are the inventors of the subject matter embodied in the above-identified patent application.

2. I have read and understand the specification and claims of the above-named patent publication.

3. I am listed as a co-author, along with five other authors on the following publication:

Anna U. Bielinska, Ann Yen, Huai Liang Wu, Kathleen M. Zahos, Rong Sun, Norman D. Weiner, James R. Baker Jr., Blake Roessler (2000) "Application of membrane-bound dendrimer/DNA complexes for solid phase transfection in vitro and in vivo," *Biomaterials* 21, pages 877-887.

4. I confirm that, with respect to the reference listed in paragraph 3, that Anna U.

Bielinska, Blake J. Roessler, and James R. Baker are the only listed authors who contributed to the inventive process relating to the above named invention.

5. I confirm that, with respect to the reference listed in paragraph 3, that Ann Yen, Huai Liang Wu, Kathleen M. Zahos, Rong Sun, and Norman D. Weiner were not involved with the inventive process relating to the above named invention, worked under my supervision and direction, and were listed as co-authors of the publication in order to acknowledge their collaboration in a research program under my direction.

The undersigned declares further that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing there from.
